

GOOD MORNING

CHORUS (x2)

Good morning, it's a beautiful day
Good morning, put a smile on your face

Get up, get up, it's time to get up now
Sun is shining, it's time to get up now
Jump in the shower and freshen up
Into your clothes for a day full of fun
Head to the kitchen, breakfast is ready
Mum's packing lunch, sandwiches, fruit and dairy
Gotta brush your teeth and wipe your face
Before you head out the door, let me hear you say

CHORUS (x2)

Thinking of the fun today and seeing all my friends
Listening to stories, painting pictures or having a little dance
Singing new songs, riding a bike, or playing in the sand
Learning new things, playing games
The laughter never ends

CHORUS (x2)

BRIDGE (x2)

Hooray, hooray, hooray, everybody let's celebrate
Hooray, hooray, hooray, come and celebrate today

CHORUS (x2)
