

# LEADER

## CHORUS

Who wants to be the leader, leader, leader?  
Who wants to be the leader, give it a try?  
Who wants to be the leader, leader, leader?  
Who wants to be the leader, give it a try?

Now we're going to clap our hands and stomp our feet and shout  
'I am following the leader'

When I clap you must clap, when I stomp you must stomp  
When I shout you must shout - I am following the leader!  
You know it, let's do it, give it a try!

Everybody listening to you now

When I clap you must clap, when I stomp you must stomp
